Creative Thinking For Business

## Why do you **Need** us?

A child's creativity decreases 90% between the ages of 5 and 7. By the time you reach 40, your creativity is 2% of what you had at age 5. 100% of CEOs believe that creativity and innovation are keys to success, yet only 6% believe their companies are performing well. 59% of Fortune 500 companies rate creativity higher than intelligence.

## What does our service **Offer?**

The Sly as a Fox program offers a fun and exciting way to learn how to think creatively. We provide an 8-hour course for up to 25 people at your facility or at an off-site location. Our program consolidates the most effective tools available from a wide range of sources. In addition, we tailor the program to fit your company's specific needs.
